The shipments for the last eleven weeks, embracing the period from April 19th treatment.—Knozville Chromicie. inclusive to June 21st, have averaged Mr. W. D. Giver, engaged as a brakes-nearly one hundred and twenty bales a man on the Nashville, Chattanooga and

Colonel E. D. Frost, the very energetic and efficient special manager of the New Orleans, Jackson and Great Northern railroad, has again commenced the work of filling up some fifty miles of the lower end of the road, which, until last year, was built on fresties. He will, if the senson proves favorable, complete the whole job, even to giving that portion of the road a gravel ballast, making it equal to any road-bed in the country.

Several weeks ago he was re-arrested by Africa, and gave a very interesting account of that country, with the manners, customs, laws, superstitions, religious beliefs, rites and ceremonies peculiar to Pulaski after him and brought him to Columbia and placed him in jail. His case, we learn, is first on the docket of the people of Africa,—Talladega Reports from Colonel Penn Young's was on of Colonel Penn Young's was crushed to death on the seventeenth instant, at Spring Villa, by becoming entangled in some portion of a grist-mill.
